

# Will God Curse His people?

**Our God is a God of Love and compassion. Does he Curse his people in modern times?  
Yes he will, if we defy him openly in public, in his own house of worship.**

When lay people criticise a Knanaya priest or a Knanaya Bishop they are told that a curse will fall on them and their family if they do so. This was effectively used as a weapon by the church to keep the lay people under control and never allowed them to criticize the church or say anything bad about the Knanaya bishops. Anyone who criticized was isolated from society and persecuted in the past.

Now what does the Bible say about God's curse? Two such quotes out of many Bible references are given below.

## Genesis 3:17

Then to Adam He said, "Because you have listened to the voice of your wife, and have eaten from the tree about which I commanded you, saying, 'You shall not eat from it'; Cursed is the ground because of you; In toil you will eat of it All the days of your life.

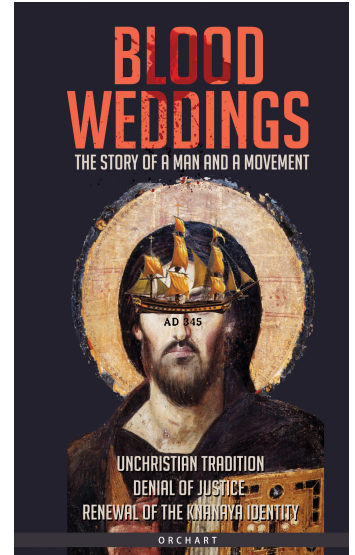

## Malachi 2:2

"If you do not listen, and if you do not take it to heart to give honor to My name," says the LORD of hosts, "then I will send the curse upon you and I will curse your blessings; and indeed, I have cursed them already, because you are not taking it to heart.

From the above two of the many references in the Bible on God's curse we see that disobedience to God and listening to forces other than God will result in his Curses.

Today the Knanaya community who puts fear on lay people for criticising priests and Bishops and state that a curse will fall on families who file civil court cases against priests and Bishops. They forget that they too are judged in the same way they judge others. We ask these Knanaya people and priest who propagate this among the Knanaya people what are they doing when they openly defy congregation of Oriental Churches recent directives to them? What are they doing when they plan to burn publicly Bishop Mulhal report and Cardinal Sandri's letter to Bishop Mar Moolakatte? Do they think they are immune to curses from God because they are Knanaites and need not obey God or the messages given through his Church?

Now when the Knanaya community as a whole decides to disobey God's directives given to the community through Bishop Mar Mathew Moolakatte through a written directive from Vatican will God not curse the community? Certainly he will. He does not like Knanaya community defying the Holy Spirit and obeying and listening to the evil Kna-Spirit and take a pledge not to obey the directives given by Cardinal Leardano Sandri in his own houses of worship. If Jesus were to visit the Kottayam diocese Churches and witness the pledges that the Knanaya community takes in all Kottayam Diocese churches on Sunday after mass, he will tear down these churches just like how he threw the tables of the merchants in the Temple of Jerusalem.

Knanaya Catholic Naveekarna Samithy (KCNS) is a prophetic movement created by God to tell the Knanaya people to repent and turn back to God by giving up the practice of expelling their own brothers from his house of worship. Many feel that God's curses are already being cast on the Knanaya people today but they are blind to see these curses taking place. Just like the Egyption Pharaoh who was stubborn and blind, so are Archbishop Mar Moolakatte and his people so stubborn and blind not willing to listen to God's directives to love and accept their own and *"to be Christians"*. KCNS will pray to God that this curse that he is planning on the Knanaya community will not be severe as that he gave to the Egyptian people during the time of Moses.

KCNS will continue to pray and bargain like Abraham did with the Lord our God to spare his curse from being cast on the Knanaya people if there are at least 50 families of Kottayam diocese who do not believe in practice of endogamy. If 50 families of Kottayam diocese come out and pledge to obey the directives of Cardinal Sandri publicly in their respective churches, KCNS believes that this may prevent God's curse from being cast on the Knanaya community. When KCNS prayed as a family in a prayer centre (that cannot be named), God answered our prayers within three days with above directive from Vatican. This itself is testimony that went viral in social media even though the testimony was not published by the prayer centre. As the prayers were answered many under the spell of satanic Kna-Spirit, threatened us for this testimony, as Satan did not like our prayers. This is a clear indication that God is with KCNS and will continue to use us to prophesy for him and to be a witness and testify for Him. Open your eyes those who are blind and see the work of God amongst your midst. Isaiah 43/8-10.
