1. T O. Joseph, President KCNS
2. Lukose Mathew, Secretary KCNS
3. C. M. Cyriac, KCNS
4. Sabu U.C., KCNS
5. Jose Kalludickal, KANA
6. Alex Kavumpuram,
KANA National Coordinator.
7. Dr. Stephen Parel, KRM
8. C.K. Punnen, KANA
9. Mr. Binose Mathew

“ Happy are you when people insult you and persecute you and tell all kinds of lies against you because you are my followers. Be happy and glad, for great reward is kept for you in heaven. This is how prophets who lived before you were persecuted “
(Mathew 5:11-12

DEDICATION

This Directory is dedicated to the tears and sufferings of all the Knanaya families who were forcibly separated and persecuted by their mother Church for loving God's children from outside their community and opposing the practice of endogamy practiced by the Knanaya Catholic church ever since its official formation in 1911.

It is intended to give those who lived according to the teachings of Jesus hope that there is a saviour who will comfort them and remove their sufferings as promised

About The Directory

The first edition of the directory of the Knanaya Reform Movement is released on the occasion of 5th death anniversary of late Mr. O.M. Uthup, & past president, of KCNS. The directory is a list of all Knanaya lineage members who are against the practice of expulsion from Kottayam Diocese based on the practice of endogamy. This 1st edition is an initiative of Knanaya Reform Movement to have a formal directory published in association with KCNS & KANA.

The directory is intended to connect with all Knanaya people who have similar reform thinking all over the world and support the directives by Cardinal Leardano Sandri, Prefect of the Congregation of Oriental Churches. The members in the directory believe that the Parish and churches of Kottayam Diocese and Knanaya personal parishes all over the world are to give full memberships and sacraments to all people of Knanaya lineage without any racial discrimination based on the so-called claimed pure bloodline concept (proven to be untrue with scientific DNA tests).
