Once a Knanite always a Knanite

March 1, 2013

To whom it may concern:

There is a protest on March 03, 2013 at 372 S. Prairie Avenue, Elmhurst, Illinois, 60126 by a large group of Catholic fanatics from Kerala, India to continue the uncivilized practice of expulsion from the Catholic Church and to import discrimination and cast system to the United States as in Kerala India. These practices had been continually rejected by the Church authority in the United States and by Rome. Yet these fanatics will not stop.

Please see the attached supporting documents from the church authority for additional facts.

Sincerely,

Sales Kalayil, President (KANA)
